SUBMISSIONS

Isolates & genomes database

- isolates (without assembly files)
- genomes (isolate records with assembly files)

Alleles & profiles database

- alleles
- MLST profiles

Template for Klebsiella pneumoniae isolates
 Template for Klebsiella pneumoniae genomes

- 1 Log in with your credentials
- 2 For new users register for an account

- 3 Submit your data in isolates and/or seqdef database*
- 4 Data curation by teams of experts

- By email
- By graphical interface
- * Submit one isolate record for each novel profile
